

## HUMAN RESOURCE DEVELOPMENT

Dated: 01-05-2024

### CERTIFICATE

This is to certify that **YELLU SIRI (20B81A05A6)** of **CVR College of Engineering** has undergone project training from **09-01-2024** to **30-04-2024** in the Defence Electronics Research Laboratory, Hyderabad-05. The project **“Face Recognition Based Attendance Monitoring System”** is a record of the bonafide work undertaken by her towards partial fulfillment of the requirements for the award of the Degree of **B.Tech.** She has completed the assigned task satisfactorily.

DRDO, Min of Defence.  
Chandrayangutta Lines, Hyderabad-05

**JRC SARMA**  
Scientist 'F', DLRL  
Defence R&D Organisation  
Hyderabad-500005.

## LETTER OF RECOMMENDATION

I am writing to provide a professional recommendation for Ms. Yellu Siri, who completed her research internship at the Defense Electronics Research Laboratory (DLRL), DRDO, from January 9, 2024, to April 16, 2024. During this period, Ms. Siri contributed significantly to the project titled "Face Recognition Based Attendance Monitoring System."

Ms. Siri's role in the project involved developing advanced algorithms capable of enhancing the accuracy and efficiency of facial recognition systems. Her technical expertise and innovative approach led to significant improvements in system performance, particularly in challenging conditions such as variable lighting and diverse facial orientations. Her work, which is under consideration for publication in a respected peer-reviewed journal, reflects her profound knowledge in machine learning and computer vision.

Throughout her tenure with us, Ms. Siri demonstrated exceptional analytical skills and a meticulous approach to her research. She consistently delivered high-quality results and displayed a high degree of initiative, autonomy, and dedication to her work. Moreover, her ability to articulate complex technical information clearly and effectively made her a valued contributor to our team discussions and presentations.

Ms. Siri has exhibited professionalism, integrity, and a commitment to her scientific pursuits during her internship. Based on her performance and the potential she has shown, I am confident that she will be an asset to any academic or professional setting.

I enthusiastically recommend Ms. Yellu Siri for continued academic pursuits or professional opportunities within her field. She possesses a diverse skill set and a wealth of talent that make her an exceptional candidate for further studies or career advancement.

Yours sincerely,

Dr. M. Chakravarthy
